Central Jersey Code Officials Association

Call to Order: President Bannerman called the meeting to order on January 4th, 2017 at 12:00 pm

Guest Speaker: Tom Pitcherello from the DCA spoke on the HVACR License. It's in the Governor office for final review. 13VH are still allowed to do HVAC work until the 19HC becomes effective. If a Contractor submits a form with their 19HC you can accept it. Some Contractors still might not have an impress seal, as long as they have their approved letter you can still accept their application.
