

CJCOA

Central Jersey Code Officials Association

Meeting-June 5, 2013

President Lisa LaRue called the meeting to order at 12:15pm followed by the flag salute.

President Lisa LaRue introduced the guest speaker Phil Brilliant of Brilliant solutions talking about changes in DEP regulations. President LaRue temporarily adjourned the meeting to allow our guest speaker to give his presentation.

Upon reconvening the meeting President LaRue asked if everyone had read the minutes from the May 1, 2013 meeting. Correction to minutes ROA to RAO. Motion and second to accept the minutes as corrected. Motion to accept minutes as corrected passed.

President Report; progress.

Vice President Report; progress.

Secretary's Report: progress.

Treasures Report: Motion and second to accept the Treasurers report, motion passed.

Sgt. at Arms: Thank you Howard for the horn, it helps to keep order!

Legislative: Mike Rodgers reported on Assembly bill A-2006, Assemblyman Dingman has pulled his support, along with District 26. Assemblyman Stender looking to raise UCC fines. Governor asked to speak at ICC ABM, declined. League opposing any statewide regulations on generators. Adoption of 2012 Codes not moving, UCC busy with Shore recovery.

Education: Frank reported the September 4 meeting speaker is Butch Polazo from Steel Deck.

Membership: Jim spoke to Robbinsville, apparently the check is in the mail! Wink, wink? President read an e-mail from Mr. Corby explaining the mix up with the membership dues. Guests; Gene Blair C.O. from East Hampton, Tom Casey C.O. from Mt. Holly and Springfield.

Good & Welfare: Lonnie reported that Chuck Belmont is in Hosp. in NYC, had stints installed. Would like another basket, but put booze in this one! Tom Polino scheduled for a procedure for his spine. Apparently though Hamburgers are expensive, how much is a Hot Dog?!

Code Change Committee: ICC Group B monograph, changes from Dallas hearings, is out. Public comments open until July.

Golf Committee: We had 92 players, great day! Helps subsidize our lunch meetings and funds the scholarships.

Scholarship: Ray reports applications online, changed dates for when they are due. For Students in college, must be enrolled in an accredited college.

Website: Posting pictures from the golf outing.

Region VII: Next meeting September 19-20. There will also be a meeting at the ICC ABM in Atlantic City, time and location to be announced.

NJBOA: Mike Rodgers reported Chuck Lasky spoke about booth at ICC ABM. There will be a few one hour sessions on Hurricane Sandy. Discussion on bus trips to storm damaged areas from Sandy. League will be at the Trump Plaza November 20, \$40. Several local winners from the Calendar raffle. Bergen/Passaic donated \$2,000. They are getting good support from around the Country for the ABM. Apparently there are some Chapters in New Jersey that are not stepping up with support. Larry Scorzelli looking for articles for Code newsletter.

Old Business: Register for ABM and Code Change Hearings. Make Sure Const. Official has designated the Governmental members. Bus service during Conference hours. Remember to have Fire Prevention Bureau's get members designated and then register. Discussion on designating Governmental Members, needs to be done annually.

New Business: ICC Code of Honor Scholarship applications are now available. Discussion on International Building Officials Assoc. looking to provide scholarships.

Because of success of Golf outing motion and second to send \$2,000 to NJBOA. Motion passed.(Randy just write the check!) Also because of the Golf outing success motion and second to provide 4 rooms in Atlantic City for Executive Board Members. Motion passed.

Joe Valeri requested the check to NJBOA and letter of support be sent before next weeks NJBOA Exec. Board meeting.

Discussion on price of Conference, book before September and save.

Register and go to the Code change hearings, they cost nothing and you can get UCC credits.

John Fiedler thanked Rich Soltis for helping out with rentals and setting up the route for the Fowler Motorcycle rides.

Discussion on MUNCO letter about Design Professionals professionalism, still in works.

Discussion on Mold Seminar, apparently not that informative!

Hillsborough is desperate for a Part-Time Electrical Inspector.

Discussion on October meeting conflict with the ICC ABM. Tabled until Sept 4 meeting.

Being no further business to come before the Association, there was a motion and second to adjourn the meeting. Motion passed. Meeting adjourned at 1:54PM.

Respectfully submitted,

Richard A. Soltis Jr, Secretary
