

Members, Guests and Friends,

Thank you for coming out last year to support our golf outing, and hope that you will return this year. We will again be utilizing one course rather than two, so make sure you register early to reserve your place. Looking forward to seeing you at Mercer Oaks this year.

This year's CJCOA golf outing will be held on Thursday June 8th, 2023 at Mercer Oaks West Golf Course in West Windsor, NJ. Make sure to register early since we will only be utilizing one course. There are four-hole sponsors available that will feature your company logo advertised on the mobile app. Also, all hole sponsor signs are double-sided color photo quality signs. More information is available on the flyer and application.

Please open attachments for golf outing flyer, application, Mercer Oaks information flyer and west course score card.

Hope to see you on June 8th.
