

Information About The Courses

Mercer Oaks offers two championship courses in West Windsor which are open year round (weather permitting). Mercer Oaks Golf Courses provide visitors with amenities second to none.

Mercer Oaks West is an 18-hole championship golf course opened to the public in 1991. Designed by Ault, Clark and Associates, the course was built in a traditional style with tree lined fairways, ample bunkers, and challenging greens. The course is a part of the landscape of Mercer County Park and Mercer Lake. Through strategic design and careful placement of bunkers and other hazards, the course provides a good test of golf. From the championship tees, the course measures 7,040 yards with a par of 72.

Mercer Oaks East Golf Course was designed by Ault, Clark and Associates and opened to the public in the fall of 2003. The East Course is an 18-hole championship, links style golf course featuring generous fairways, exceptional bunkering and large, contoured greens. From the championship tees, the course measures 7,182 yards with a par of 72.

Mercer Oaks Golf Course truly offers something for every player, of every skill level. A variety of challenges awaits with the links styled East and traditional styled West Courses.

YOUR OCCASION, OUR COMMITMENT!
